

Together rises 25 places in the Sunday Times Grant Thornton Top Track 250

17 October 2018

We are excited to announce that Together has been ranked in the Sunday Times Grant Thornton Top Track 250 league table.

Together ranked 82nd in the prestigious league table, rising 25 places from last year among the UK's private mid-market companies based on latest sales (interest receivable and similar income). This is the third time we have been ranked in the league table, having placed 163rd in 2016, and 107th in 2017. Together recorded a 22% increase in sales (interest receivable and similar income) in the twelve months to June 30 2018, with the loan book having grown to £3bn, placing the business fourth in the table based on operating profit.

The Sunday Times Grant Thornton Top Track 250 league table each year ranks Britain's private mid-market growth companies with the highest sales. It is compiled by Fast Track and published in The Sunday Times each October. Together was also named as one of the UK's Best 100 Companies to Work For by the Sunday Times earlier this year on its first ever application, also winning a special award for 'Giving Something Back'.

Gary Beckett, Group Managing Director and Chief Treasury Officer at Together, said: "This is a phenomenal achievement for the business and we are really proud to be named in the Top Track 250 for the third consecutive year. The award is a testament to the dedication of our colleagues, our robust business model and ongoing investment in enhancing our platform to help more customers to achieve their financial ambitions."
