

Together Announces Enhancement of Senior Management Team

Together Financial Services Limited ('Together' or 'the Group'), one of the UK's leading specialist secured lenders, is pleased to announce that John Lowe will be joining the senior management team and Group Board as Group Finance Director. Gary Beckett will be taking on the new role of Group Managing Director and Chief Treasury Officer, following a short transition period.

John Lowe, who will join Together on 5th February 2018, was previously Finance Director at Coventry Building Society and brings with him over 15 years' experience in financial services.

Gary Beckett will continue his current responsibility for Group Treasury, Investor Relations and Strategic Finance and will, in addition, support the Group CEO in developing and implementing the Group's strategy as Together continues to expand.

Commenting on today's announcement, Mike McTighe, Group Chairman of Together, said:

"We are delighted to welcome John to the Group and to congratulate Gary on his new role. Today's announcement reflects the Group's continued strong progress and our ongoing investment in building an enhanced platform to support our future growth ambitions."
