Jerrold FinCo plc

Pricing of the Additional Senior Secured Notes

January 26, 2018

Jerrold FinCo plc (the “Issuer”), a wholly-owned subsidiary of Together Financial Services Limited (the “Company”), a secured retail and commercial purpose mortgage loan provider in the United Kingdom, is pleased to announce the pricing of an additional £150,000,000 in aggregate principal amount of its 6½% Senior Secured Notes due 2024 (the “Additional Notes”) at an offering price of 101.750%. The Additional Notes are being offered as additional notes under an indenture dated February 22, 2017 (the “Indenture”), pursuant to which the Issuer issued £200.0 million 6½% Senior Secured Notes due 2024 (the “Existing Notes”). The net proceeds of the offering of the Additional Notes will be used (i) to reduce drawn balances under the CABS Securitization (a conduit securitization program for certain of our mortgage loans) by £140.0 million through the repurchase of loan assets from Charles Street ABS (a special purpose vehicle that purchases certain of our mortgage loans pursuant to the CABS Securitization) and (ii) for general corporate purposes. The Company intends to use the additional available capacity under the CABS Securitization to support the origination of new loans in the ordinary course of business.

The Existing Notes are, and the Additional Notes will be, guaranteed on a senior basis by the Company and all of its subsidiaries other than the Issuer and certain dormant and non-material subsidiaries (the “Subsidiary Guarantors” and, together with the Company, the “Guarantors”). The Existing Notes and the guarantees are, and the Additional Notes and the guarantees will be, secured by first-priority fixed and floating security interests granted on an equal and rateable first-priority basis over all of the issued capital stock in the Issuer and each of the Guarantors (other than the Company), substantially all of the existing and future property and assets of the Issuer and the Guarantors, and any additional security interests that may in the future be pledged to secure obligations under the Existing Notes and the Additional Notes, the guarantees and the Indenture. Pursuant to the terms of the Intercreditor Agreement, any liabilities in respect of indebtedness incurred under the Revolving Credit Facility and certain related hedging obligations that are secured by assets that also secure the Company’s or the Guarantors’ obligations under the Existing Notes and the Additional Notes or the Guarantees, as applicable, will receive priority with respect to any proceeds received upon any enforcement action over any such assets.

The Existing Notes have been admitted to the Official List of the Irish Stock Exchange and admitted to trading on its Global Exchange Market. Application has been made for the listing particulars related to the Additional Notes to be approved by the Irish Stock Exchange and for the Additional Notes to be admitted to the Official List of the Irish Stock Exchange and admitted to trading on its Global Exchange Market. If admitted to trading, the Additional Notes will trade together with the Existing Notes as one series on the Global Exchange Market of the Irish Stock Exchange.
