This announcement does not constitute an offer to sell or the solicitation of an offer to buy the Notes or any other security and shall not constitute an offer, solicitation or sale in the United States or in any jurisdiction in which, or to any persons to whom, such offering, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any jurisdiction

Together Financial Services Limited (“Together” or the “Company”), one of the UK’s leading non-bank relationship lenders, is pleased to announce the issuance of £500 million in aggregate principal amount of 7½% Senior Secured Notes due 2031 (the “Notes”), through its wholly owned subsidiary Jerrold FinCo plc (the “Issuer”). The gross proceeds of the offering of the Notes, together with cash on balance sheet, are expected to be used (i) to redeem, in full, the Issuer’s £500.0 million in aggregate principal amount of the senior secured notes due 2027 issued under an indenture dated January 25, 2021, and (ii) to pay fees and expenses in connection with the offering of the Notes.

Highlights

- Successful issuance of £500m 7½% senior secured notes due 2031
- Offering significantly oversubscribed
- £3bn funding facilities raised or refinanced during 2025

Richard Rowntree, Group Chief Executive Officer of Together commented: “We are delighted to announce the successful completion of our £500 million bond offering. The issuance received strong support from our investors, once again underlining the strength of our model, the quality of our loan book and ongoing confidence in our long-term growth strategy.”

Gary Beckett, Group MD and Chief Treasury Officer of Together added: “Since the start of the calendar year we have raised or refinanced £3 billion across six transactions, as we continue to strengthen and diversify our funding programme. This successful issuance, which supports the refinancing of our 2027 bonds, was significantly over-subscribed, evidencing continued investor support for Together.”

The Notes are to be guaranteed on a senior secured basis by the Company and all of the Company's subsidiaries (other than the Issuer, the subsidiaries comprising the securitizations and certain dormant and non-material subsidiaries) (the "Subsidiary Guarantors," and, together with the Company, the "Guarantors"). The Notes and the guarantees will be secured by first-priority fixed and floating security interests granted on an equal and rateable first-priority basis over all of the issued capital stock in the Issuer and each of the Subsidiary Guarantors, substantially all of the existing and future property and assets of the Issuer and the Guarantors (excluding the assets sold to the securitisations), an assignment of the notes proceeds loan provided by the Issuer to the Company, and any additional security interests that may in the future be pledged to secure obligations under the Notes, the guarantees and the indenture. Pursuant to the terms of the proposed intercreditor agreement, certain liabilities in respect of indebtedness incurred under the revolving credit facility and certain hedging obligations that are secured by assets that also secure, or will secure, the Issuer's or the Guarantors' obligations under the Issuer's £450.0 million in aggregate principal amount of the senior secured notes due 2030 (the "2030 Notes") and the Notes, as applicable, will receive priority with respect to any proceeds received upon any distressed disposal of, or an enforcement of the security interest over, any such assets. The Notes will be general obligations of the Issuer and will rank pari passu in right of payment with all existing and future indebtedness of the Issuer that is not expressly subordinated in right of payment to the Notes, including the 2030 Notes and the revolving credit facility.

Application will be made to The International Stock Exchange Authority Limited (the "Authority") for the listing of and permission to deal in the Notes on the Official List of The International Stock Exchange (the "Exchange"). There can be no assurance that the Notes will be listed on the Official List of the Exchange, that such permission to deal in the Notes will be granted or that such listing will be maintained.
