## What is a Consumer Buy-to-Let (CBTL) mortgage?

A CBTL mortgage is a type of buy-to-let mortgage specifically designed for individuals who are not professional landlords but are renting out a property, often due to unexpected circumstances like inheriting a property or relocating. These are regulated by the Financial Conduct Authority (FCA).

## Need to know

Most types of ASTs (Assured Shorthold Tenancy) accepted.

We use 100% of rental income or 90% of a projection if the property is empty or there's no AST in place.

Expat applicants accepted.

The maximum LTV is calculated based on the *net* loan value and broker fee. Any additional fees, including the product fee, will affect the affordability assessment.

For our ICR criteria, visit our Criteria Guide.

Customers are more than just a credit score, if the sums show affordability, we do our best to make it happen. Visit our Criteria Guide for more information and demerit definitions.
